APPLICABLE FEE

Registration is subject to a fee of **650 Meticais (MZN)** or the equivalent in legally accepted foreign currency in Mozambique. This fee is **mandatory**, even when no formal visa is required, as the registration constitutes a legal pre-travel notification.

STRICT COMPLIANCE & IMPLICATIONS

It is important to emphasize that **strict compliance** with this requirement is expected from all affected travelers.

Failure to register in advance and pay the required fee will, under current legislation, be

considered an **implicit refusal of entry** into the national territory. This may result in the traveler being denied boarding at origin or entry upon arrival in Mozambique.

RECOMMENDATIONS:

- Complete the registration **at least 48 hours** in advance;
 - Confirm receipt of the **Electronic Travel Authorization (ETA)** via the provided email;
 - Present the **ETA (printed or digital)** upon arrival, along with a passport and other supporting documents such as:
 - Proof of accommodation, return ticket, and evidence of means of subsistence (for **tourism** purposes);
 - Invitation letter from the host entity, return ticket, and financial proof (for **business** purposes);
 - Have the funds available to pay the required fee in legally accepted foreign currency in Mozambique.
-

This procedure is part of the Mozambican Immigration Services' ongoing efforts to enhance border control, ensure national security, and facilitate orderly and regular tourism.

Non-compliance will be interpreted as a violation of Mozambican immigration law.

Enforce accordingly.
